In the Matter of:

AN EXAMINATION BY THE PUBLIC)	
SERVICE COMMISSION OF THE)	
APPLICATION OF THE FUEL ADJUST-)	
MENT CLAUSE OF LOUISVILLE GAS)	CASE NO. 9174-A
AND ELECTRIC COMPANY)	
FROM NOVEMBER 1, 1984,)	
TO APRIL 30, 1985)	

O R D E R

Pursuant to 807 KAR 5:056, Section 1(11), the Commission issued its Order on June 25, 1985, scheduling a hearing and requiring Louisville Gas and Electric Company ("LG&E") to provide a record of scheduled, actual and forced outages, and a calculation of over- or under-recovery of fuel costs for the 6-month period under review.

LG&E provided the data requested by the Commission's Order of June 11, 1985. LG&E also filed its monthly fuel adjustment filings for the 6-month period under review. Following proper notice, a hearing was held on August 14, 1985. Additional information was requested at the hearing and LG&E has supplied all requested information.

The sole intervenor in this case was the Consumer Protection Division of the Attorney General's Office ("AG"). The AG did not offer testimony and on cross-examination did not challenge the level of actual fuel cost included in LG&E's monthly fuel filings.

In its Order issued on May 13, 1985, in Case No. 9174 the Commission fixed LG&E's base fuel cost at 15.11 mills per KWH. The Commission's review of LG&E's monthly fuel clause filings shows that the actual fuel cost incurred for the 6-month period under review ranged from a low of 14.04 mills in November 1984 to a high of 16.12 mills in December 1984. The Commission's review of the record in this case, the coal market conditions during this period and the data filed in support of the fuel adjustment clause rates indicate that the actual fuel costs included in the monthly fuel adjustment clause filing were reasonable.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. LG&E has complied in all material respects with the provisions of 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges collected by LG&E through the fuel adjustment clause for the period November 1, 1984, through April 30, 1985, be and they hereby are approved.

Done at Frankfort, Kentucky, this 29th day of October, 1985.
